May 9, 2025

The Honorable John Hoeven
Subcommittee on Agriculture, Rural
Development, Food and Drug Administration
and Related Agencies
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

The Honorable Jeanne Shaheen
Subcommittee on Agriculture, Rural
Development, Food and Drug Administration
and Related Agencies
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chair and Ranking Member,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 **Senate Appropriations Subcommittee on Agriculture, Rural Development, Food and Drug Administration and Related Agencies Bill**, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in black ink, reading "Adam B. Schiff". The signature is fluid and cursive, with the first name "Adam" and last name "Schiff" clearly legible, and "B." in the middle.

Adam Schiff
United States Senator

**Schiff, Adam(D-CA) Agriculture
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
White Mountain Fire Protection District	Funding will be used to replace an outdated and unsafe fire station. Bringing the facility up to current national standards for the health and safety of the volunteers and the community.	Benton CA	\$4,125
City of Bishop Fire Department	Funding will be used to acquire a Ladder Truck for the Bishop Fire Department. This new truck would replace a 30-year-old Ladder Truck and help ensure adequate emergency services for residents in Bishop and the surrounding area.	Bishop CA	\$1,320
Food Bank of El Dorado County	Funding will be used to construct an Emergency Resource Center. This facility will be an evacuation support center which will store and distribute emergency food and supplies to partner agencies, enabling them to transition into a satellite evacuation center in rural and remote areas.	Cameron Park CA	\$500
Fresno Irrigation District	Funding will be used for to provide community water supply and climate resiliency through the construction of 3,300 acres of groundwater recharge basins. This funding representing funding going to the Fresno Irrigation District.	Fresno CA	\$2,000
Upper Kings River Units	Funding will be used for to provide community water supply and climate resiliency through the construction of 3,300 acres of groundwater recharge basins. This funding representing funding going to the Alta Irrigation District.	Fresno CA	\$2,000
Consolidated Irrigation District	Funding will be used for to provide community water supply and climate resiliency through the construction of 3,300 acres of groundwater recharge basins. This funding representing funding going to the Consolidated Irrigation District.	Fresno CA	\$2,000
Guadalupe Union School District	Funding will be used to construct an outdoor play area, complete with accessible walkways, playground equipment, a shade structure, and pour-in-place rubber surfacing.	Guadalupe CA	\$1,967
City of Guadalupe	Funding will be used to install AMI technology at all smart meters throughout the city, enabling effective transmission of utility readings in real time, facilitating the remote collection and transmission of consumption data, enabling a transition from manual readings, improving efficiency.	Guadalupe CA	\$550
Guadalupe Union School District	Funding will be used to build an outdoor recreation field - complete with a track, basketball courts, and volleyball courts - at the new Junior High.	Guadalupe CA	\$1,500
City of Guadalupe	The Senior Center Revitalization Project enhances the City's ability to provide essential services like meals, and internet connectivity, and a vibrant community hub for our senior citizens.	Guadalupe CA	\$500
County of Mariposa	Funding will be used to enhance the walkability of the downtown business area by improving access across Mariposa Creek. This project is part of a broader effort to connect different parts of the town and promote both local and tourist movement through the Mariposa Creek Parkway.	Mariposa CA	\$763
City of Mendota	Funding will be used to support the construction of Mendota's first-ever community center, which will serve as a hub for emergency services, recreation, and programs focused on education, employment, and workforce development.	Mendota CA	\$3,000
Gustine Unified School District	Funding will be used for community facility Wellness Centers which will house student and family behavioral health programs.	Merced CA	\$665
Chowchilla Water District	Funding will be used to building a 1 mile long bidirectional pipeline that will connect Chowchilla Water District and Le Grand Athlone Water District. The project would allow the two districts to share water with one another.	Merced CA	\$1,500

County of Mono	Funding will be used to purchase and install 9 emergency generators in 8 communities across Mono County. Generators will provide backup power supply at places of community importance, including at community emergency disaster facilities, sheriff's facilities, and emergency workshops.	Mono CA	\$900
County of Mono	Funding will be used to construct a fire station in Sunny Slopes, California. This station will provide fire protection and EMS services to local communities and nearby LADWP facilities and infrastructure.	Mono CA	\$4,198
Indian Valley Community Services District	Funding will be used to build a new public safety center to replace the fire station, sheriff's substation, and ambulance crew quarters that were all destroyed by Dixie Fire in 2021.	Plumas CA	\$4,000
Banning Heights Mutual Water Company	Funding will be used to develop a temporary pipeline to deliver water from Burnt Canyon to Banning Height to provide drinking water and fire flow protection while the Banning flume is reconstructed.	Riverside CA	\$852
Fresno Area Hispanic Foundation	Funding will be used to provide financial wellness resources to individuals, families, and small businesses in the rural communities in the San Joaquin Valley.	San Joaquin CA	\$100
Cal Poly Partners	Funding will be used to enhance wireless emergency communication capabilities in north Santa Cruz County by providing reliable 5G connectivity in the vicinity of Cal Poly's Swanton Pacific Ranch.	Santa Cruz CA	\$1,000
County of Lake	Funding will be used to extend municipal water service to an unserved corridor, improving fire suppression, public health, and regional water infrastructure. This project will replace inadequate water systems, enhance emergency response in a high-risk fire zone, and support economic growth.	South Lakeport CA	\$7,211
County of Sacramento	Funding will be used to improve water resources and infrastructure in the community of Walnut Grove. The project will improve arsenic management, allow water system to meet fire flow requirements, and construct a 200,000-gallon steel water storage tank.	Walnut Grove CA	\$3,000
City of Woodland, California	Funding will be used to support pre-development activities of a premier hub for food and agriculture innovation, AI, and biomanufacturing, accelerating commercialization, pilot-scale manufacturing, and workforce development to drive the future of food and agriculture.	Woodland CA	\$2,500
