

United States Senate

WASHINGTON, DC 20510

May 22, 2025

The Honorable Katie Britt
Subcommittee on Homeland Security
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

The Honorable Chris Murphy
Subcommittee on Homeland Security
U.S. Senate Committee on Appropriations
Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chair and Ranking Member,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 **Senate Appropriations Subcommittee on Homeland Security Bill**, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in black ink, reading "Adam B. Schiff". The signature is fluid and cursive, with the first name "Adam" and last name "Schiff" clearly legible, and "B." as a middle initial.

Adam Schiff
United States Senator

**Schiff, Adam(D-CA) Homeland Security
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
City of Atascadero	Funding will be used to equip a new fire station that will house the City's Emergency Operations Center, bolstering its protection against natural hazards like wildfires.	Atascadero CA	\$1,500
City of Carson	Funding will be used to enhance preparedness, strengthen coordination and collaboration, improve communication and information sharing, streamline decision-making, and provide a space to conduct regular training and exercises for emergency preparedness planning.	Carson CA	\$2,000
City of Chula Vista Fire Department	Funding will be used to perform wildfire hazardous fuels reduction within the High Fire Hazard Severity Zone Otay Valley Regional Park.	Chula Vista CA	\$837
City of Lompoc	Funding will be used to eliminate delays in restoring critical systems and ensure uninterrupted operation of the Lompoc Emergency Operations Center by upgrading the backup power system.	Lompoc CA	\$375
Los Angeles Fire Department	Funding will be used to ensure that Los Angeles City Fire Department stations have back-up power generators to maintain operational capabilities during disaster situations.	Los Angeles CA	\$630
Klondike Canyon Geologic Hazard Abatement District	Funding will be used to mitigate landslide hazards by reducing the amount of rain water entering the earth and removing subterranean water.	Rancho Palos Verdes CA	\$4,023
County of San Diego	Funding will be used to provide disaster relief during high-heat conditions with mandatory evacuation orders.	San Diego County CA	\$440
County of San Joaquin	Funding will be used to procure additional fixed and mobile generators to improve water and drainage system reliability.	San Joaquin County CA	\$5,100
County of Marin	Funding will be used to protect homes and critical infrastructure in the low-lying Santa Venetia neighborhood in Marin County from 100-year flood events and sea level rise projections.	San Rafael CA	\$3,000
Thousand Oaks	Funding will be used to install independent battery storage systems and associated microgrid infrastructure to transform the City's existing Emergency Evacuation Center into a fully functional Community Resilience Center (CRC) network.	Thousand Oaks CA	\$3,000
